### PROFESSIONAL SUMMARY

I am a motivated backend developer with hands-on experience in creating web applications and APIs using Laravel and PHP. I have successfully completed several training programs, enhancing my skills in database management, RESTful services, and teamwork. Eager to contribute to innovative backend systems, I continuously seek opportunities to improve my technical expertise and apply best practices in software development.

### EDUCATION

**Bachelor of Computer and Information Sciences, Information Systems Department,** 2020 – 2024  
Mansoura University
